

## AV-200 Life Vest

SWITLIK has been producing and selling life vests to airlines and general aviators around the world for over 60 years. The leader in heat-sealed inflatable safety and survival products, SWITLIK Life Vests are approved by the following agencies: FAA, CAA, JCAB, LBA and CTA.

The Switlik AV-200 is the latest advancement in airline life vests. Offering airlines a lightweight, compact and inexpensive vest while meeting all the safety features required by the FAA. The AV-200 donning style features a single waist strap with a single adjusting buckle.

- Single cell configuration
- Fully adjustable for waist/chest size up to 59"
- Silk-screened pictorial donning instructions
- Water activated TSO C-85 locator light
- Constructed from Polyurethane Coated Nylon
- Available in international yellow or orange
- Inflation: 1 16 g. CO2 cylinder, 1 oral inflation tube
- 35 lbs. of buoyancy
- FAA TSO# TSO-C13f

## Airline Life Vests
